**STANDING UP FOR
HARD-WORKING COLORADANS**

As a state representative, Faith has been a leader on creating greater economic security for Adams County families – fighting for paid family leave, equal pay for equal work and housing affordability.

**HELPING FAMILIES WIN THE
FIGHT FOR THE FUTURE**

Faith is raising her own family here – so creating better tomorrows for every Adams County family is personal. She is working to diversify our economy, make Colorado a leader in the renewable energy future and attract good-paying jobs that will fuel brighter tomorrows for everyone.
