## ABOUT

Pennsylvania United, the 501c4 affiliate of Pittsburgh United, is a grassroots organization with member-led chapters that build power for working-class families in Western PA.

They believe the only way to combat division is to rebuild progressive organizing infrastructure in the communities that have experienced historic disinvestment from both economic opportunities and organizing resources.

They build this organizing infrastructure by running local issue campaigns, connecting these issues to political campaigns, and developing member leadership to run these campaigns. They work every day to develop long-term organizing relationships that reconnect working-class people to power, and to build a multiracial working-class movement for statewide change.
